Message from the Vicar:

Dearly Beloved in Christ,

Greetings to you all in the precious name of our Lord and Savior Jesus Christ.

As we have come to the beginning of the year 2010, let's hope for a new year filled with God's blessings and peace. We are living in a world which is full of uncertainties and hence our life is fragile. In the vast infinity, one's life is compared to a bubble that comes up and bursts. Yet each life is precious in the sight of God. The Bible says, 'Jesus Christ is the same yesterday, today and for ever (Heb 13:8). This is the assurance from God to us as we enter the New Year. The Lord God is in charge of our history and the year 2010 is His providence. The Bible begins with the resounding affirmation, "in the beginning God". God is a "living God". He is the creator of all things. The world has not come into being on its own, nor was it formed accidentally by the interplay of atoms. We must remember that though the theory of evolution may explain how the universe evolved, it is God the Creator who has brought it into being. We not only need to believe that God exists and that He is the Creator but we also need to understand God's purpose in creation. The world is not the game of God; nor is man merely a plaything in the hands of Satan. We are created in the spiritual image of God. The likeness between God and man is a spiritual likeness. When we bring our consciences into conformity with the will of God we become children worthy of our Heavenly Father. This is what God requires of us in the New Year.

The knowledge that I am created in the image of God should help me to refrain from evil and lead me into a good and virtuous life. This assurance can be both my shield and the goal of my life.

Wish you all a blessed New Year,

In His Service,
Rev.M.J.Thomaskutty.
