Message from the Vicar:

“And the vessel that he made of clay was marred in the hand of the potter; so he made it again into another vessel, as it seemed good to the potter to make”
(Jeremiah 18:4)

Dearly Beloved in Christ,

Greetings to you all in the precious name of our lord and savior Jesus Christ.

God has a purpose and plan for each person. When obstacles to the realization of that purpose come, God does not give up but continues to work out His plans in the life of each individual. The people, the kingdoms and the nations who reject God's plan and choose their own paths are not abandoned by God. He thus proves the greatness of His love and patience. God taught Jeremiah these lessons in the potter's workshop.

This lesson does not mean that we are like passive clay, having no free will. We cannot argue that it is God who is responsible for making men good or bad. God cannot be blamed when people misuse the free-will he has given them. The wise person is one who cooperates with God in the fulfillment of His will.

We can picture God as a Master Craftsman, constantly working to shape us according to the pattern that is in His mind. How great is God's grief when His plans for us are frustrated; How deep and great His joy and satisfaction when we become vessels of honor, ready for use in His house! A long life may not be good enough, but a good life is long enough. Once a psychologist conducted a research among 3000 persons on the topic 'purpose of life'. He was shocked to find that 94% were simply enduring the present while they waited for the future; waited for something to happen; waited for children to grow up; waited for next year etc....The greatest use of life is to spend it for God.

May the loving Lord, fashion our desires and thoughts according to His will and purpose.

In His Service,
Rev.M.J.Thomaskutty
