Message from the Vicar:

“For the Lord Gives wisdom; From His mouth comes knowledge and understanding “
(Proverbs 2:6)

Dearly Beloved in Christ,

Greetings to you all in the precious name of our Lord and Savior Jesus Christ.

At the outset let me appreciate all our graduates who have successfully completed their courses. The Bible nowhere condemns the acquisition of wisdom. But it should be combined with the fear of God. The theme of the Proverbs is “the greatness of Divine wisdom”. In this book, both the divine wisdom and human foolishness are personified as human beings and presented to us as Characters. The difference between a smart man and a wise man is that a smart man knows what to say and a wise man knows whether to say it or not. Wise men learn more from fools than fools learn from the wise. According to Solomon, the genuine wisdom includes two things:

The knowledge of God which enables us to understand how to live according to His will

The ability to apply that knowledge to daily life.

Such wisdom comes only from God. It is the wisdom of God that created the world. (Proverbs 3:19-20). This is very important. All the efforts of the scholars to improve the world will prove futile unless they recognize the wisdom of God seriously. Then chaos will become cosmos.

The Devine wisdom is like the Tree of life which bears fruit daily and at all seasons, yielding different fruits every month. And the leaves of the tree are for the healing of the nations! (Rev.22:2).

May the loving Lord graciously bestow upon us His wisdom and bring perfection in our lives.

In His Service,
Rev.M.J.Thomaskutty
